

Nicetown-Tioga Neighbors:

Wedge Recovery Centers is proud to offer

Opioid Use Disorder Education and Resources

3609 N. Broad Street Drop-In Center
Monday, Wednesday, Thursday 8am – 7pm
Tuesday and Friday 8am – 4pm

Wedge Recovery Centers' staff are available to assist community members, those with opioid use disorder, and concerned family members, five days a week at our Drop-in Center. Some of our offerings include:

- Support and referral to treatment for substance use or medical complications
- Naloxone (Narcan), and fentanyl test-strips
- Education about opioid use disorder
- Training in the use of Narcan to save lives

We are also available to present at your community event or speak with your congregation or community organization.

Please call us now at 215-276-3922, or visit us at our Drop-In Center!
